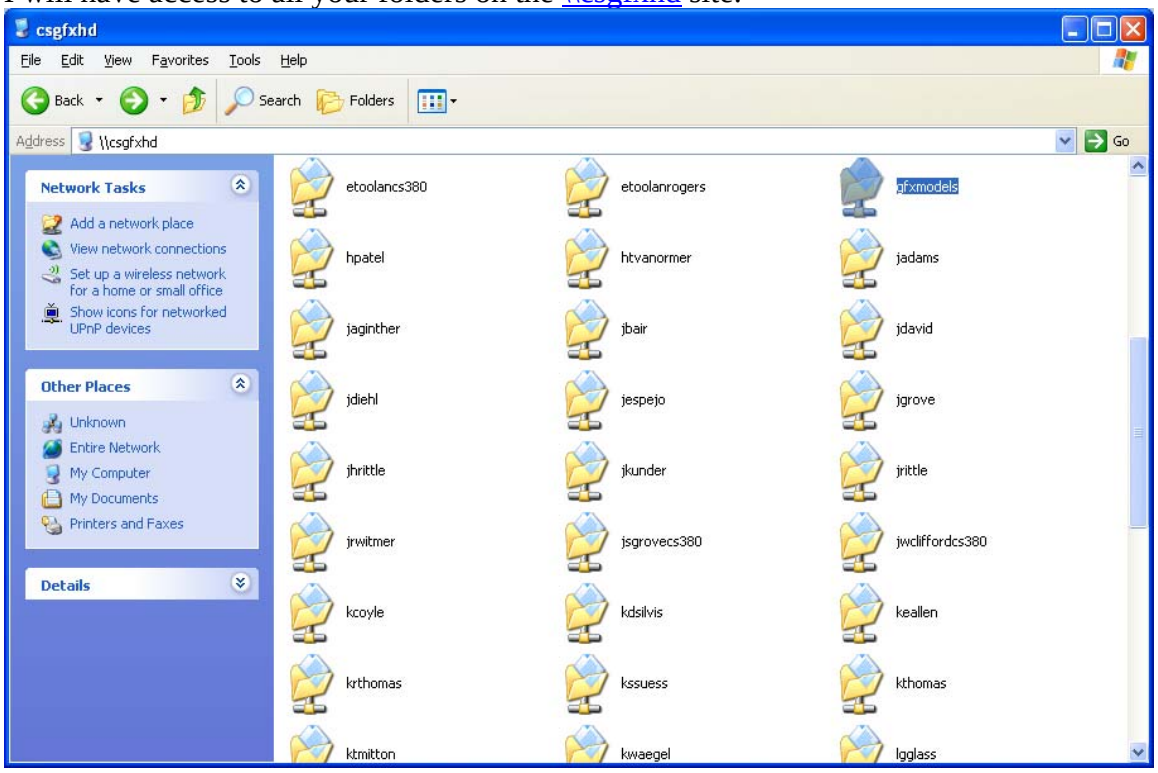
Assignment one
CS380 Operating Systems
Roger W. Webster, Ph.D.
Department of Computer Science

What to hand in:

1. Make a zip file of your entire project (all files and folders) and name it: YourLastNameAssign1.zip
2. Upload your zip file YourLastNameAssign1.zip to your \\csgfxhd directory.
3. Print out the source code and hand it in to me so I can mark the grade on it and make comments.
4. I will download your code, run it, and grade it.


I will have access to all your folders on the \\csgfxhd site:
