These percents are approximations only. Percents can change at any time without notice.
Each quiz or test may contain a laboratory component.

Attendance
You are expected to attend class regularly, read the materials, complete assigned problems, participate in class discussions, and work productively in the laboratory.

Make-up Quizzes/Tests/homework
There are no make-up quizzes, tests or homework without official MU documented absence. If you miss a quiz or a test or homework you will receive a zero grade for that quiz/test/homework.
